I won the Bean Bag Race. I thought I would never get a first. Robert

I was happy when I came second in the obstacle race.

I liked Dancemania because the whole school joined in. It was a great experience and I learned new moves.

My favourite activity was when we created water melon pizza. It made fruit more appealing by making it into a 'pizza' and gave pupils the chance to explore and try new fruit. The 'pizzas' were delicious.

Scavenger Hunt was great fun because it was outdoors.

*Mrs Sharpe helped us to make a healthy, **green** Smoothie using four ingredients. Can you guess what four ingredients she used?*

Highland Schools Orienteering – 3rd June

Already Highland Champions, some of our senior pupils travelled to Dalkeith to participate in the Scottish Championships early on Friday morning. The boys' school team came in first place and the girls in fifth. We had 3 scores in the top 10, including a 2nd, 5th and 10th place. Finlay, Ben and Harris collected the medals and the trophy is to follow. Well done to all and to Mr Ross for accompanying the group. It was a long but very successful day.
