'Sharing the Learning' session

Thank you to everyone who came for our 'Sharing the Learning' sessions, we had lots of positive feedback and it was great for us to share what we have been learning in Nursery and to share our Learning Journeys.

Ach an Eas

Our children will be going to visit the residents of Ach an Eas in the final two weeks of the term. This is a great community link and will be beneficial for the senior citizens and our children. The children will be singing some songs and completing an Easter craft with them. The children will travel by bus and be accompanied by our EYPs and parent helpers.

Visitors

We are delighted to have Reverend Fiona coming in to share the Easter story with us in week beginning 3rd of April. We will also be having a visit from the Fire service next week. If anyone would like to come and tell us about their work we would be delighted to welcome you.

WOW moments reminder

Please remember to document your child's WOW moments. Sheets are available for you to pick up in the cloakroom, this would enable you to capture success at home or out with the Nursery environment for example setting the table, staying in own bed all night or a medal for little ninjas. This should then be given to Nursery staff and will be shared with your child's peers before being transferred to their My Learning Journey folder. We look forward to seeing all the WOW moments.

Transition

Over the next few weeks the nursery children will be completing some transition learning opportunities with P1 and P1/2. We will have joint playtimes so that the nursery children can get used to the outdoor area and we will be completing some Easter activities together.

Spring Fayre

The school is holding a Spring Fayre on Saturday 1st of April. There will be various stalls, baking, bouncy castle and even a chance to throw some sponges at class teachers.

Nursery phone number reminder

Please phone 01463 229247 to speak to a member of the team, regarding sickness or change of pick up person.

Blog

Please remember to look on the blog to see what the children have been learning.
