

Nursery Newsletter – September 2017

We would like to further extend a warm welcome to all of our Nursery parents. The children have all settled in to the setting and are busy having many learning experiences. We look forward to working in partnership with you over this forth coming session.

My Learning Journey

Each child has an individual learning journey that documents everything they have been learning within the setting, this also includes stepping stone targets that the children set with their keyworker. We would like to encourage you to use our open door policy therefore if you wish to look at 'My Learning Journeys' feel free to speak to a member of staff in the team. You will find your child's learning journey in their base room.

Naming of the Rooms

We are delighted that the children were able to work as a team and vote for their preferred names for our nursery rooms, the results were the pink panther room to be called the Butterfly room and the nursery room to be called the Lion room.

Stay and Play

We would like to invite all parents of 4 year old children to sign up for a stay and play session on Tuesday 26th and Thursday 28th of September. You will find the signup sheet in the Nursery cloakroom. We have stay and play for 3 year olds in Term 2.

School Closure

Please remember that Nursery is closed for pupils on Monday 18th and Tuesday 19th of September for In-Service training.

Website

Please check out our new school website at www.holmprimary.co.uk within the website is our Nursery blog with some pictures of what we have been learning. Please visit regularly as these pictures will be updated regularly. The blog will start once all permission slips have been returned to Nursery.

Curriculum Information Session

We will be holding a curriculum information session on Friday 22nd of September at 10am. This will be led by Mrs Wojtunik DHT and 2 of our Early Years Practitioners Mrs Carey and Miss Morrison. Please sign up for this session so we have a rough idea of numbers attending. The venue for this session is still to be confirmed.

Clothing

Please make sure your child has a raincoat every day as we go out daily regardless of the weather. Please ensure that everything is labelled clearly with your child's name.

Lunches

Our school lunches are going down very well with the children. Please can you assist your child in the morning to make their lunch choice or the night before if they are not in first thing in the morning. Please can you ensure there is no food from home brought in to the Nursery. In order to have a nut free environment we need to make sure there is no traces of nuts or anything containing nuts on the premises.

Pick up

Please ensure that you write down who is picking your child up when you take your child into nursery. If this then changes it is important to let us know in advance by calling the Nursery on **01463 229247**.
