

# Holm Early Learning and Childcare

## Newsletter – March 2018

### Creative Café

Thank you to everyone who came to the Creative Café, it was a great success. It was a super new way for us to share our learning for Developing the Young Workforce. The children were able to be leaders of learning and worked really well with the Primary 1 children. We look forward to doing this again next year. The feedback from parents was really positive.

### 'Sharing the Learning' session

Thank you to everyone who came for our 'Sharing the Learning' sessions, we had lots of positive feedback and it was great for us to share what we have been learning in Nursery and to share our Learning Journeys.

### Some Parental feedback –

*'Loved all the fun learning experiences in the Nursery, very engaging for kids.'*

*'Loved having time to watch the children interact with each other.'*

*'I loved the Big Learning Journey to see what the children have been doing.'*

*'Kids are so happy and have wonderful support from staff.'*

*'Very happy children! They are busy and keen to get started every day.'*

*'Lots of learning in simple activities – paying for snack, scientist numbers etc.'*

### Parent Council

We would like to extend a massive thank you to the Parent Council who have donated money to us so that we can further develop our outdoor learning. Mrs Christie, the team and the children have been working hard planting and growing things in the garden. Keep an eye on the blog so you can see their progress.

### Visitors

We are delighted to have Reverend Scott McRoberts coming in to share the Easter story with us on Wednesday 21<sup>st</sup> of March. Pink Panther children will be joining us as a transition activity.

### Transition

Over the next few weeks the Nursery children, primarily the 4 year old children, will be completing some transition learning opportunities with P1 and P1/2. We will have joint playtimes so that the nursery children can get used to the outdoor area and we will be completing some Easter activities together. We will be having more transition activities in term 4, along with a Primary 1 information session, more details to follow.

### Blog

Please remember to look on the blog to see what the children have been learning. You can find this at [www.holmprimary.co.uk](http://www.holmprimary.co.uk)

## School Closure

Nursery will finish for the Easter break on Wednesday 28<sup>th</sup> of March and will re-open on Monday 16<sup>th</sup> of April. The Nursery team wish you all a Happy Easter and enjoy your holidays when it comes.
