### Health Matter

It has been brought to our attention by a responsible parent that there has been an occurrence of thread worms within the school. As threadworms spread easily please be vigilant in this regard. If you notice your child has threadworms please inform the school as soon as possible in order that we can continue to alert parents so they can take appropriate action. Teachers will remind children to wash their hands thoroughly before eating snacks and lunch. Further guidance on this matter is available from the NHS website.
