Free Essential Cycling Skills Sessions

We would like to offer a free session to Holm parents and staff to improve cycling skills and confidence. This can be a great way to brush up on your skills and get active, or even support your child in cycling. If you're interested, please see the attached letter for more information, and return the form stating your availability to the office.

Dear Parent or Guardian,

ESSENTIAL CYCLING SKILLS AND CYCLE TRAINING OPPORTUNITIES

We are currently providing training for children to improve their ability to cycle safely and confidently. GoByCycle, a new project funded by Velocity Café & Bicycle Workshop, would like to offer free Essential Cycling Skills to parents and carers.

Essential Cycling Skills

*A practical course to develop skills
and confidence*

The course will involve a 2-3 hour session including bike checks, road positioning, observation, signalling and manoeuvring to increase your confidence to make journeys by bicycle

To participate in the course you will need a bicycle, helmet and appropriate clothes for the weather. We advise you to check your bike or take it to a local bike shop to ensure it is safe to cycle prior to the course. You will learn how to carry out a safe bike check and make minor adjustments during the course. If you do not have a bike or helmet please let us know so we can make suitable arrangements.

We hope you will enjoy learning about cycling and meeting people within the school community. You may even be inspired to get involved in further training.

Please get in touch if you are already a confident and experienced cyclist and would be interested in completing your Cycle Trainer Assistant or Cycle Ride Leader course to support active travel at the school.

Yours sincerely,

Mrs Mackay

Head Teacher
